

## **NNF President Elect-2018 Election Update – 10/03/2018**

Dear Friends,

Greetings from NNF !!!!

As you are aware, NNF had started Election process to fill the vacant post of the President Elect-2018 (President 2019 ) as per the election schedule notified on 22<sup>nd</sup> December, 2017. A very unfortunate event hit the election process wherein **948 ballots went missing** during despatch by Speed post.

**Cheating, Forgery, Criminal breach of trust & Misappropriation of funds has occurred for which we have lodged a police complaint**& matter is under investigation.

This came to our notice on 15<sup>th</sup> of February & we called an urgent O.B meeting on 16<sup>th</sup> February. Seeing the gravity of situation, it was decided to hold an emergency Governing Body meeting on 18<sup>th</sup> February before the scheduled Governing Body Meeting of February 23 & 24 . Governing Body deliberated at length and it was decided to hold **RE – POLL by incorporating E-Voting in Re–Poll**. It has been approved in Governing Body Meeting on 23<sup>rd</sup> February that efforts will be made to have E- Voting for all those members whose data is verified and Postal Ballots for those members whose data is not verified.

**Dr J Kumutha from Chennai and Dr SwarnaRekhaBhat from Bengaluru have been added to the Election Commission headed by Dr G P Kaushal of Delhi.**

NNF Membership Data is being verified to facilitate E – Voting. You are humbly requested to please co-operate and spare some time from your busy schedule to help in verification of your Mobile No, E – mail ID and address.

Further development in the matter shall be updated.

**Dr B. D. Bhatia**  
President, NNF

**Dr Alok Bhandari**  
(Secretary, NNF)
