

NNF POST GRADUATE QUIZ PROGRAM-2018

Request to all Paediatric Department of Medical Colleges & Institutes

The National Neonatology Forum of India organizes a Postgraduate Quiz in Neonatology every year. We are pleased to inform you the dates for this year's quiz. The purpose of this Quiz is to promote Neonatology in Postgraduate Medical Education.

The Quiz would start with selection of a college team followed by Divisional round and Zonal round. You are requested to select a team of two PG students from your department for the Divisional round. The selection can be through a test using MCQs or through nomination. Names of the postgraduate students representing your department should be sent to the Divisional Coordinator-NNF Pg Quiz at the earliest. The Divisional rounds would be completed by **30th August 2018**. The Divisional Coordinator would inform the exact date and venue of the Divisional round to you. The winners of the Divisional round would participate in the Zonal round to be held by **30th Sept.2018**. The final round would be held during the 38 th Annual Convention of NNF, which is being held at **Varanasi, Uttar Pradesh from 13th - 16th December, 2018**.

Any person registered for a Postgraduate course in Paediatrics but not already holding M.D. (Paed.) Degree/DNB is eligible to participate in the quiz. Participants for the final would be paid to & fro train fare and provided hostel type of accommodation by the organizers of the conference.
